Parish Prayers

Praise God that following her service with CMS new opportunities are opening up for **S** as she lives with her sister and participates in the children's online learning. Pray that these new horizons will reignite her passion for teaching, her skills and applications for work here.

Pray for all the **governments and community leaders** in Australia and around the world dealing with coronavirus.

Pray for the development of new **vision/action plans** for our parish.

Pray for **Scripture Union**, for teams and plans for the camps and summer missions; planning for Australia-wide integration of SU; for strengthening of regional groups, for all chaplains, churches, and volunteers. Pray that schools will reapply for Coolamatong when restrictions permit. Pray for site development at Coolamatong, and new intern recruitment.

Pray for **CMS** as they adjust to stage 4 restrictions. Continue to pray for **Jon Deborah, Ollie and Simeon** as St Peter's is slowly starting to have meetings again on site. For Ollie and Simeon as they continue with online school for the foreseeable future. Pray also for **Jim and Tanja** and their kids—pray for a good start to the school year, for continued healing for Tanja, and for wisdom & care as Spain battles with a second wave of COVID-19

It all depends...

What if everything depended on you? Some people right now know this feeling all too well: mothers of infants, a single parent of a VCE student, a small business owner closed during lockdown.

The Book of Esther in the Old Testament presents us with a moment in time when the future of a race and a religion depended on one person. Mordecai said to his cousin who was Queen of Persia, "If you keep quiet at a time like this, deliverance and relief for the Jews will arise from some other place, but you and your relatives will die. Who knows if perhaps you were made queen for just such a time as this?" (Esther 4:14). What a burden? What a moment? Esther's moment reminds us of the extraordinary relief it is to know that our standing today before our holy God is not dependent on our own goodness, courage, personal sacrifice, or any other qualification.

Instead, the Gospel tells us that it is by grace - through the goodness, courage and sacrifice of God's Son, Jesus Christ, the righteous one - that we are saved and receive forgiveness of our sins, the gift of the Holy Spirit, and the assurance of eternal life. It all depends on Christ (see Romans 5:5-11).

On 8 November our Reconciliation Action group will lead our Sunday services with a focus on our commitment to learn from, partner with, and to serve needs of Aboriginal and Torres Strait Islander peoples in Australia.
